

Openreach

FTTP price

FTTP rental prices¹

Speed	Price	Price if ARPU share threshold achieved ²	Price inflation
40 Mbps	£14.48	-	CPI ⁴
55/80 Mbps	£15.30	-	
115 Mbps	£16.05	-	
160 Mbps	£16.67	-	CPI-1.25% ⁴
220 Mbps	£18.53	£17.95	
330 Mbps	£19.56	£18.47	
550 Mbps	£20.59	£18.98	
1.0 Gbps	£22.64	£20.01	

FTTP connection prices¹

Connection type	Price
Area 2 (typically urban and suburban areas) residential premises	£26.05 - £52.10 ³
Area 3 (typically rural areas) residential premises and all UK business premises	£103.32

1. These are the prices available under Openreach's Equinox scheme
2. Openreach splits revenue above the ARPU share threshold 50/50 with its Communications Providers. The ARPU share threshold is £17.37
3. £26.05 is the price for connections that are 'new' to the Openreach network. This is defined as a premise that has not had an active service of any kind from Openreach in the 90 days prior to an order being placed.
4. The movement in the CPI for the 12 months ending 31 October of the prior year, with a floor of 0%

Prices correct as at 1st April 2022.
